**Re: A46 & A5630 IMPROVEMENT SCHEME PLANNED ROAD CLOSURE DETAILS**

Dear Neighbour,

We wrote to you last year and provided you with our contact details for future reference. We promised to keep you updated and provide as much advanced notice as possible of any work that may affect you.

**For your information:** The next phase of the project requires night-time road closures to allow us to carry out carriageway resurfacing. All diversion routes will be clearly marked along the route using temporary direction signs.

The list of dates and locations is shown on the other side of this page.

Please note: Access to Gorse Hill is available for Residents only.

The following forecast road closure dates are subject to change as they may be affected by adverse weather conditions. If this is the case an update will be available via the project website and twitter account as soon as possible at [www.leicestershire.gov.uk/a46-scheme](http://www.leicestershire.gov.uk/a46-scheme) and via [@LeicsCountyHall](https://twitter.com/LeicsCountyHall) on Twitter.

We would like to take this opportunity in advance to apologise for any inconvenience which may be caused.

Should you have any comments, suggestions or queries please feel free to contact me by telephoning 07918 640481 or emailing me on [gino.salvatore@gallifordtry.co.uk](mailto:gino.salvatore@gallifordtry.co.uk)

Yours faithfully

Gino Salvatore
